

ROLL-X 16 HOUR ENDURO MARCH 10-11

WARNING: NO WIMPS ALLOWED!

Forget about forking out wads of cash to have the ultra-high-tech-state-of-the-art race car of the century... Rally the troops and pull out your lead-sled or comb the Bone-yard for the clunker car that nobody thought could! The Roll-X 16 Hour Race debuts March 10th-11th.

Why: Because you're sick of driving to the races every weekend and blowing a .99 cent part on a \$100,000 race car....

Why: Because you wanna race like you have 20 gallons of moonshine in your backseat and your life depends on it...

The Roll-X 16 hour race is a two day event from 9am to 5pm on March 10th-11th. Cars must be worth \$500 or less. Teams must have a minimum of four crazy drivers to race.
