**EVENT CELEBRITY:** Pabst Racing has been preparing winning racecars since 1983. The Pabst Team was started by Pabst Jr., former sports car racing legend from the 1950s and early 1960s. Augie won many races and two national championships throughout his career, and drove many legendary cars such as the Birdcage Maserati, Cunningham, Lola Coupe, Ferrari, and the ever popular Meister Brau Scarab. In 1983, Augie started Pabst Racing to campaign a Tiga Sports 2000 in SCCA Nationals and the Sports 2000 Pro Series. In 1991 his son, Augie III took over management of Pabst Racing.

Probably best known in modern vintage racing for his well-prepared Meister Brau Scarabs, Augie Pabst had a distinguished racing career which included the 1959 USAC Road Racing Championship, 2 SCCA National Championships and a 4th place finish at Le Mans. Pabst drove a variety of cars including Ferrari, Porsche, Maserati, Jaguar, AC Bristol and Triumph.

**PACE CAR DRIVER:** **Dominic Dobson** has competed in seven consecutive Indianapolis 500 mile races, 66 CART/PPG Indy Car World Series races over a 10-year span, as well as five 24 Hours of Daytona events and the 1989 24 Hours of LeMans.

**EVENT DESCRIPTION:** The Pacific Northwest Historics features many of the world's rarest and most beautiful pre-1970 race cars. This year, more than 250 vintage race cars are expected to enter. Favorites include Ferraris, Lotuses, Cobras, Corvettes, Porsches, Austin Healeys and some less recognizable names like Elva, Ginetta, and McLaren. Most are in mint condition through extensive restoration and many attain speeds in excess of 150 miles per hour. Some of the cars are valued at over \$1 million and many have impressive racing histories. Competitors come from all over the West Coast and Canada. The wheel to wheel competition on the challenging 2 ¼-mile road course includes nine turns, 200-300 foot elevation drop and a near ¾-mile straightaway.

The paddock area and in-field are open to all spectators.

**FEATURED DISPLAY:** The year 2010 brings about a monumental occasion in automotive history, the 100<sup>th</sup> anniversary of the Alfa Romeo manufacturing company. These are the pure race cars that won most race events from 1910 – 1977 such as Targa Florio, Mille Miglia, Le Mans and Grand Prix races. Alfa Romeo attracted many of the great drivers – Tazio Nuvolari, Enzo Ferrari, Juan Fangio - and was able to credit their wins towards the championships. With such great cars as the P2 and P3 grand prix racers, the 2900 series, the Giulietta, the Alfetta, the GTA, the type 33, and the new 8C, it is sure to be a racing spectacle for the entire family to enjoy. SOVREN requires that the cars be prepared perfectly to original specifications, so the racing will be close, fast, and spirited. Alfa Romeo has always been a racing enthusiast's car and this year they will always put on a fantastic show. We welcome spectators to inspect the cars and visit with the owners and drivers. We encourage you to get close to the cars and take pictures. The kids really enjoy it.

Fifty years of racing at Pacific Raceways. A display of pictures from the early years and a schematic of the raceways plans for the future will be on display as we celebrate the track's 50<sup>th</sup> anniversary.

- FEATURED RACE:** This year SOVREN is proud to feature the Large Bore Group in a spectacular series of races through the event. This group is always a crowd pleaser with such cars as Corvettes, Camaros, Mustangs, Jaguars, Studebakers, Falcons and other Ford Products.
- CAR CORRAL:** An additional 250 vintage and collector cars from local car clubs will be on display in the car corral.
